

Number of Ph.D.s awarded per teacher during the last five years

Name of the PhD scholar	Name of the Department	Name of the guide/s	Title of the thesis	Year of registration of the scholar	Year of award of PhD
Sunny Behal	Computer Science and Engineering	Dr Monika Sachdeva	Defense of Internet from DDoS Attacks – A Realtime Experimentation	2011	2018
Mandeep Gulati	Computer Science and Engineering	Dr Monika Sachdeva	Design of Efficient On-Demand QoS Routing Techniques for Manets	2010	2018
Vishal Kumar Arora	Computer Science and Engineering	Dr Monika Sachdeva	On Networks life span based on assessment for improved wireless networks	2014	2019
Surbhi Gupta	Computer Science and Engineering	Dr Neeraj Mohan	Revealing Digital Forgery Using Statistical Quality Evaluation	2011	2018
Ratesh Kumar	Mathematical Sciences	Dr. Harpreet Kaur, Dr. Geeta Arora	Wavelet based numerical techniques for finding the solution of differential equations	2015	2020
